Welcome to documentation space for the Men&Mice Suite!

Documentation has moved

The new and improved documentation has moved to docs.menandmice.com.

If you're using version 9.2 or older of the Men&Mice Suite, refer to the documentation on <https://cdocs.menandmice.com/display/MM920>

This is the main page of the Men&Mice Suite Documentation. From here you will be able to reach every documentation page you need for every published version of the Suite prior to version 9.3.

Please select an appropriate version of Micetro from the left sidebar.

IMPORTANT: Versions older than 9.3 are no longer supported. Refer to <https://docs.menandmice.com/en/latest/guides/implementation/updates/> for instructions on updating.

For more information on the Men&Mice Suite, please see our main [webpage](#).
